

Rx Valet Prescription Discount Program

Program Overview, Terms of Service, and Privacy Policy

PROGRAM OVERVIEW

The Rx Valet Prescription Discount Program is not insurance. It provides consumers with discounts on their prescription medications. Prescription medications vary from pharmacy to pharmacy, and sometimes even your health insurance copay price can be expensive. By comparing your insurance price with the Prescription Discount Program price, you may be able to save money. **The Prescription Discount Program is administered by Medical Security Card Company, LLC of Tucson, AZ.**

The Prescription Discount Program can be used by:

- SENIORS WITH MEDICARE PART D: save on prescriptions that are excluded from coverage.
- THOSE WITH LIMITED, HIGH-DEDUCTIBLE, OR NO PRESCRIPTION COVERAGE: reduce out-of-pocket prescription costs.
- THOSE WITH PRESCRIPTION COVERAGE: reduce the cost of prescriptions not covered by insurance.

The Prescription Discount Program provides:

- A prescription savings card that offers instant savings at the register on both brand name and generic prescription medications. Use the card to save on prescriptions for you and everyone in your household -- including your pets.
- No enrollment fee and no limits on usage.
- Everyone in your household can use the same card.
- A pharmacy discount network of 62,000 participating pharmacies across the county including chain and independent retail pharmacies
- Savings average 54% with potential savings of up to 80%*. Savings vary based on the medication and the pharmacy chosen.

*Average and up to savings percentages are based on all discounted prescriptions that were run through the program in 2017. Discount percentages represent savings provided off of pharmacies' retail prices for consumers who do not have a discount program and pay cash.

Simply present your Prescription Discount Card, along with your valid prescription, at your chosen pharmacy and pay the discounted price.

DISCOUNT ONLY – NOT INSURANCE. Discounts are available exclusively through participating pharmacies. The range of the discounts will vary depending on the prescription and the pharmacy chosen. Cannot be used in conjunction with insurance. Prescriptions paid for in whole or in part by Medicare or Medicaid are not eligible. This program does not make payments directly to pharmacies. Members are required to pay for all prescription purchases. You may cancel your registration at any time or file a complaint by contacting Customer Care. **This program is administered by Medical Security Card Company, LLC of Tucson, AZ.**

Dispute Resolution

Arbitration Agreement; Class Waiver; Waiver of Trial by Jury

PLEASE READ THE FOLLOWING PARAGRAPHS CAREFULLY BECAUSE THEY REQUIRE YOU TO ARBITRATE DISPUTES WITH RX VALET AND LIMIT THE MANNER IN WHICH YOU CAN SEEK RELIEF FROM US.

Applicability of Arbitration Agreement

Any dispute, claim or controversy arising out of or relating to this Agreement or the breach, termination, enforcement, interpretation or validity hereof, including the determination of the scope or applicability of this agreement to arbitrate (hereinafter, collectively, the "**Dispute**"), which cannot be resolved informally, shall be resolved by binding arbitration on an individual basis under the terms set forth below (the "**Arbitration Agreement**"). Notwithstanding the foregoing, in the event of any actual, alleged or threatened violation of confidentiality or violation of the other party's intellectual property or other proprietary rights, the non-breaching party may immediately resort to court proceedings in a court of competent jurisdiction as set forth below in order to seek immediate injunctive relief without posting of a bond, proof of damages or other similar requirement. The institution of any action for injunctive relief shall not constitute a waiver of the right or obligation of any party to submit any claim seeking relief other than injunctive relief to arbitration.

This Arbitration Agreement applies to you and RX VALET, and to any of the Parties' subsidiaries, affiliates, agents, employees, predecessors in interest, successors in interest, and assigns, as well as all authorized or unauthorized users or beneficiaries of Services provided under the Terms.

The arbitration proceeding will be administered by the American Arbitration Association ("**AAA**") before an arbitrator selected pursuant to the AAA rules. The decision of the arbitrator will be final and binding. Any final

award or judgment may be filed and enforced in any court of competent jurisdiction. The parties shall share equally in the costs assessed for the arbitration, and each party shall bear its own attorneys' fees and costs. Any arbitration proceeding may not be consolidated or joined with any other proceeding and will not proceed as a class action. THE PARTIES UNDERSTAND THAT THEY WOULD HAVE HAD A RIGHT OR OPPORTUNITY TO LITIGATE DISPUTES THROUGH A COURT, TO HAVE A JUDGE OR JURY DECIDE THEIR CASE, AND TO PARTICIPATE IN A CLASS ACTION OR OTHER PROCEEDING INVOLVING MULTIPLE CLAIMANTS, BUT THEY INSTEAD CHOOSE AND AGREE TO HAVE ALL DISPUTES AS SET FORTH HEREIN DECIDED THROUGH INDIVIDUAL ARBITRATION.

The place of arbitration shall be in Pima County, Arizona, unless otherwise agreed to in writing by all parties to the arbitration. The parties acknowledge that this Arbitration Agreement evidences a transaction involving interstate commerce, and the Federal Arbitration Act, 9 U.S.C. Sections 1–16, shall govern the interpretation, enforcement and proceedings pursuant to this Arbitration Agreement. The parties expressly agree that any and all actions taken under the Arbitration Agreement and related provisions, including but not limited to all filings, orders, judgments, and awards made in any arbitration proceeding, are confidential and may not be disclosed to any third party.

This Arbitration Agreement provision will survive the termination of the Agreement and your relationship with RX VALET.

Time Limitation on Claims

The Parties agree that they must initiate arbitration within one (1) year after any Dispute arose; otherwise, the disputing Party's Dispute is permanently barred.

Forum and Venue

A lawsuit, if any, between you and RX VALET that is permissible under this Arbitration Agreement will occur in state or federal court in Pima County, AZ. You and RX VALET agree that the jurisdiction and venue of these courts is exclusive.

Applicable Law

This Agreement and any Dispute between you and RX VALET will be governed by the laws of the State of Arizona and applicable United States law, exclusive of conflict or choice of law rules.

These Terms supersede all prior understandings regarding the Card, Services, Website and their use and represent the complete agreement between you and RX VALET. However, your Card may be subject to additional terms of the applicable third-party sponsoring organization. These Terms do not create or confer any third-party beneficiary rights. You may opt-out of our use of Google Analytics by visiting the [Google Analytics opt-out page](#) and installing the Google Analytics browser add-on, currently made available by Google at <https://tools.google.com/dlpage/gaoptout>.

Google Analytics Advertising Features: We have also enabled the following Google Analytics Advertising Features: Google Display Network Impression Reporting, Remarketing with Google Analytics and Google Analytics Demographics and Interest Reporting. The Google Display Network Impression Reporting uses the Google Analytics cookie to track our ad impressions and your interactions with those impressions, including the effectiveness of those ads, which generates reports for us to help us analyze our advertisements. Remarketing with Google Analytics uses the Google Analytics cookie to serve advertisements to you across the Internet based on your visit to our Web Site. Google Analytics Demographics and Interest Reporting uses a third party cookie to collect information about our website traffic by tracking users across websites and across time, which generates a report for us to better understand our website users.

We also use the Google AdWords service to serve ads on our behalf across the Internet and sometimes on this Website. Google uses cookies (or other similar identifiers) to collect anonymous information about your visits to our Website and your interaction with our products and services to generate targeted advertisements to you on other sites that you visit across the Internet.

If you do not want Google to collect and use this information you may visit the Google Ad Settings page (<https://www.google.com/safetycenter/tools/#manage-your-ads-preferences>) or you can also visit the website <http://www.networkadvertising.org/choices> as referenced above to change your consumer preferences with respect to certain online ads and to obtain further information about third party ad networks and online behavioral advertising. For the Google Analytics Advertising Features, you may also opt-out of our

use of Google Analytics as described above. Please remember that changing your settings with certain browsers and ad networks will not carry your privacy choices across browsers and other ad networks.

Audience Measurement: We use third party tools for audience measurement on the Application and the Website. We currently use Quantcast for this purpose, which collects anonymous information about our users to help us measure the usage of our Application and Website to better understand our users. Quantcast also uses some of the data to serve interest based ads. A full description of Quantcast's interest based advertising and other data collection and use practices can be found in its Privacy Policy, <https://www.quantcast.com/privacy/>. If you would like to learn more about Quantcast's interest based advertising or to opt out of the applicable data collection, you can visit Quantcast at <https://www.quantcast.com/opt-out/>.

Attribution Analytics: We may use TUNE Marketing Console ("TMC") to track attribution and advertising analytics on the Application. TMC tracks device identifiers and IP addresses on our behalf, which may also be used for marketing purposes as described elsewhere in this Privacy Policy and in the TMC Privacy Policy, located at <https://www.tune.com/resources/data-and-privacy/privacy-policies/tmc-privacy-policy>. You may choose to opt out of our use of the TMC at <https://www.optoutmobile.com>.

Online Health Initiative Survey: We may collect survey information from time to time. We may use all of the survey information that we collect for our internal business purposes. We may also aggregate and anonymize any survey information and license and distribute the same.

In addition to the purposes set forth above, we use the information we collect for the purpose for which it was provided (for example, to fulfill your requests) and to provide the Services, improve the performance and quality of the Application and Website, personalize your experience, track usage of the Services, provide feedback on the Services, provide customer support, communicate with you about your Account and use of the Services, back up our systems and allow for disaster recovery, enhance the security of the Services, and comply with our legal obligations.

We may use collected information to notify you of changes made to the Website or Application (for example, changes to this Privacy Policy), to provide you with promotional materials and to otherwise market products and services to you.

Evaluation and Improvement of Our Services. We may use and disclose collected information: to analyze, develop, and improve the content, materials, products, and services that we make available (including the Services, Website, and Application); to inform marketing and communication plans and strategies; to understand Website and Application demographics and user preferences; and to evaluate Website and Application user needs and customize Website and Application content, promotional emails, and users' browsing experience.

Aggregate Information: We may also aggregate personal information and other collected information to create aggregate data on Website and Application users that describes users as a group but does not reveal the identity of individual users. We may use aggregate data to understand Website and Application users' needs, to determine Website and Application user demographics and usage patterns, to determine what kinds of products and services we can provide, and to improve and enrich our products and services, including the Services, Website, and Application. We may share user information in the aggregate with third-party advertisers and content distributors for our own marketing purposes. For example, we may disclose the number of users that use the Services, how they use the Services and basic non-personal demographic data. We will not share with third parties your personal information in a manner that identifies you for any direct marketing purposes by such third parties nor sell information that could be used to identify you as an individual.

Our service providers may also aggregate the information they receive for their own internal analysis and purposes and for inclusion in general databases regarding consumer behavior and trends as described above. For information on interest based advertisements that are specifically targeted to you, you may opt out of individual ad networks as set forth above.

Sale or Transfer of Business or Assets: If we are sold or disposed of as a going concern, whether by merger, reorganization, sale of assets or otherwise, or in the event of an insolvency, bankruptcy or receivership, any and all personally identifiable information, including your Account information may be one of the assets sold or merged in connection with that transaction. Information about you may also need to be disclosed in connection with a commercial transaction where we or any one of our businesses are seeking financing, investment, support, or funding. In such transactions, personal information will be subject to the promises made in any pre-existing Privacy Policy in effect when the information was obtained.
